Model Madarsa System

AN INTEGRATED APPROACH FOR
MODERNIZATION
OF **MADARIS EDUCATION**

Under Al Qalam Foundation Regd. (646)

Model Madarsa System

AIMS

Madaris be upgraded for the enhancement of their:

- Bridging the gap between Deeni and Modern Education
- Enhancement of Quality and quanta of Education
- Enhancement of Acceptability in the Society
- Multi facet Personality Development of output/graduates
- Contribution in overall development of Ummah (community/society) development
- Character building of Leadership
- Effective role in Communal Harmony and National Integrity

OBJECTIVES

- To establish Model Madarsas having Madaris Education with Modern Education under Model Madarsa System.
- To propagate Composite Teaching Methodology in Madaris for their better Education.
- To train the Madaris Teachers for effective teaching especially Traditional Subjects
- To do public awareness programs so that they also support this mission and understand that under Model Madarsa System, Madaris are more productive and effective than Modern Schooling Systems.
- To make the students aware of their responsibilities towards National & International platforms.

A NEW TEACHING APPROACH

- **Composite Teaching**
Composite Teaching Methodology have been developed for better Madaris Education. It simultaneously covers NCERT curriculum with Deeni Education in Madaris and hence named as Madarsa-NCERT.
- **Multiple Certification**
The students in 10 years of schooling will get certificates:
 - Maulvi and High School
 - Maulvi, Hafiz and High School
- **Multilingual Personality**
The students will be capable of reading, writing, understanding and speaking Arabic, English, Urdu and Hindi languages.
